

IAC Acoustics, A Division of Sound Seal, Appoints Ted Marquis Medical and Life Sciences Product Sales Manager

NORTH AURORA, IL – March 21st, 2016 – [IAC Acoustics](#), a division of [Sound Seal](#), and a leading manufacturer of metal acoustical and noise control products and solutions serving the industrial, architectural, commercial and construction industries, is excited to announce the advancement of Ted Marquis to Medical and Life Sciences Product Sales Manager. In his new role, Ted will manage the sales and service effort for the medical and life sciences division, including supporting the product and technical needs of sales reps, consultants, engineers, contractors and end users in the acoustic community.

Ted brings 19 years of acoustical sales and engineering experience to the IAC team. In his previous role with INC, he was Eastern Regional Sales Manager, where he worked hands on to specify and design custom engineered noise control solutions.

“Ted has extensive experience in acoustics and is ideal for this role.” said Dan O’Brien, Sales Director of IAC Acoustics. His background positions him to add immediate value to the Medical & Life Sciences division and we are excited to support him in servicing and growing the business.”
