

IAC Acoustics, A Division of Sound Seal, Appoints Tom Heins Product Sales Manager for the Architectural Doors and Windows Division

NORTH AURORA, IL – April 13th, 2016 – [IAC Acoustics](#), a division of [Sound Seal](#), and a leading manufacturer of metal acoustical and noise control products serving the industrial, architectural, commercial and construction industries, announced today that it has hired Tom Heins to serve as Product Sales Manager for the Architectural Doors and Windows Division. In his new role at IAC Acoustics, Heins will manage customer relationships and ensure that Architectural Door and Window product needs are met in a timely manner with the highest level of quality and service.

Heins has over 15 years of acoustic experience, 12 of which were spent with the former IAC Acoustics where he contributed to both product sales and product installation.

“Tom’s 15 years of experience working with noise control and acoustic products includes more than a decade of working directly with IAC customers and systems.” Said Dan O’Brien, Sales Director for IAC Acoustics. “His extensive knowledge of architectural sound control products is a tremendous asset to the team and we are excited to have him on board.”
