

## ***Thomas Heins Appointed to Director of IAC Acoustics***

**Naperville, IL – February 25th, 2020**

IAC Acoustics, a leading brand of metal noise control products and solutions serving the industrial, commercial, architectural, and construction industries, is pleased to announce the promotion of Thomas Heins to Director. In his new role, Thomas will be responsible for the oversight of the IAC Acoustics' business.

Heins has close to 20 years of experience in the noise control industry, with the majority of that time being spent with IAC Acoustics where he has contributed to sales, customer development and product installation. His most recent role was serving as National Sales Manager where he has focused on channel management and bringing continuity to a growing sales team.

“This was an anticipated next step for Thomas in his career path with IAC Acoustics”, said Joe Lupone, CEO of Catalyst Acoustics Group. “With the primary focus being on autonomy and brand success, Thomas is the ideal candidate to lead the IAC Acoustics team. He is committed to the channel partners and I am confident that he will thrive in leading IAC Acoustics into the next chapter of growth.”

### **About IAC Acoustics**

IAC Acoustics offers Acoustic metal solutions for Industrial, Architectural and Medical Applications. The industrial offering includes both in-plant and outdoor enclosures, outdoor noise barriers, anechoic chambers, Dyno Rooms and HVAC products. The architectural products include secure facilities, acoustical doors, windows, music practice rooms and studio packages. The Medical offering includes mini and full size audiology booths and test chambers.
